

FATHER CHRISTMAS MASK

Material required per mask

1. one A4 white (or colour) cardboard sheet
2. one stick of white glue
3. a pair of scissors
4. a thin rubber band
5. colour pencils
6. white cotton wool for the beard

Instructions

1. Print the drawing on the A4 white cardboard sheet and paint it with the colour pencils.
2. Scissor the mask with the pair of scissors. Don't forget to cut the holes for the eyes.
3. Glue the cotton wool so as to look like Father Christmas beard.
4. Make a hole on each black spot, pass the rubber band through them and make a knot at each end to avoid the rubber band to get loose.

Well, your mask is ready you may now like to play Saint Nicholas and distribute the presents on Christmas eve !

Or try to get your boy and girl friends' help and play "Le Père Noël est enrhumé" !

Be careful with the scissors, so that nobody gets hurt.

P.S. – In the book "Le Père Noël est enrhumé" you'll find Christmas ornaments for printing and decorating.
